

**Plan your next move at APPrO 2017 Future + Focus
29th Annual Canadian Power Conference & Networking Centre
November 20 & 21, 2017 | Westin Harbour Castle Toronto**

The power industry is undergoing historic shifts, creating new industries and leaving old ones behind. Your next move could be a game-changer. Prepare to break away from the pack or build co-ventures with those who do. Standing pat is not an option.

Be part of the unfolding of a new energy industry, as critical choices are made and alliances forged at APPrO 2017, the 29th Annual Canadian Power Conference and Networking Centre.

Don't miss timely engaged discussion on:

- **IESO Market Renewal Project:** What are the issues and opportunities?
- **Politics:** The final months before Ontario's 2018 Election.
- **Technology:** Which is dropping costs and attracting consumers fastest?
- **The refurb:** Canada's largest infrastructure investment - how they will fit into Ontario's evolving electricity sector.
- **LDCs:** Where are the boundaries moving to?
- **Governance:** Ensuring our system is ready to rock.

Confirmed speakers include:

- Hon. Glenn Thibeault, Ontario Minister of Energy
- Jan Vrins, Navigant, Global Energy Practice Leader
- Peter Gregg, IESO, President and Chief Executive Officer
- Dan Dolan, President, New England Power Generators Association (NEPGA)
